

PURCHASE ORDER TERMS AND CONDITIONS

This Purchase Order ("PO") and any attachments are the sole agreement between Viant ("Viant") and the Seller identified on the face of this PO ("Seller") regarding the goods or services specified in this PO.

1. **ACCEPTANCE OF TERMS.** This PO is expressly conditioned on Seller's acceptance of all the terms and conditions set forth herein. Viant expressly objects to any additions, deletions or differences in the terms or conditions contained in Seller's quotation, proposal, acknowledgment or other document, whether or not such additions, deletions or differences materially alter this PO. This PO may be issued in addition to other duly signed Viant agreements, exhibits and schedules incorporated therein ("Agreement") made with respect to the subject matter of this PO. In the event of an inconsistency or conflict between the provisions of any Agreement and this PO, the inconsistency or conflict shall be resolved by giving precedence in the following order: (a) the Agreement (if applicable); (b) the provisions appearing on the front and reverse side of this PO and (c) other provisions when attached and agreed to in writing by Viant.
2. **PERFORMANCE.** Time is of the essence in the performance of this PO. If Seller does not confirm acceptance or notify Viant of any changes within five (5) days of receipt, all terms contained herein are deemed accepted. If the goods are not delivered or the services not provided in the manner and at the times specified, Viant reserves the right without liability and in addition to its other rights and remedies to take either or both of the following actions: (a) direct expedited delivery of the goods or performance of services, with any difference in cost caused by such change paid by Seller, and/or (b) purchase substitute goods and charge Seller with any loss or additional costs Viant incurs. Seller shall promptly advise Viant of any delay in performance, including notice with regard to any goods placed under backorder. Seller's performance is not deemed completed until the goods or services have been accepted by Viant.
3. **FREIGHT TERMS OF SALE.** Unless otherwise stated on the face of this Purchase Order: for domestic United States shipments standard freight terms of the sale shall be FOB destination, freight collect using Viant's stated carrier unless expedited shipment means are necessary to meet seller's delivery commitment, at which time the terms will be FOB destination, freight prepaid; for international shipments standard freight terms of sale shall be EXW per Incoterms 2020. Risk of loss and damage shall pass to Viant upon delivery to Viant's carrier. Title shall pass to Viant upon delivery to Viant's stated delivery location per this purchase order. If seller fails to use Viant's designated carrier, seller may be charged for any additional freight cost incurred by Viant. Shipments shall include all necessary documentation. In the event that documentation is not completed properly or is not included in the delivery, Seller shall be fully responsible for any and all costs associated with completing the required documentation as well as any fees incurred by Viant as a result of any delay. Product will be packaged by the seller in a manner that meets regulatory requirements for transport and will prevent damage during shipping, transportation and handling.
4. **PRICE.** Seller warrants that the pricing set forth herein is the lowest price now given by Seller to any other customer for like materials and quantity and agrees that if, during the term of this PO, lower prices are quoted to another customer for similar or like materials, the same lower price shall be offered to Viant and shall become the actual price thereafter. Additionally, if during the term of this PO Viant is able to purchase goods or services of the quality and in the quantities herein specified and upon like terms and conditions at a price lower than the price stated herein from a different Seller, Seller shall, upon receipt of satisfactory written evidence of the lower pricing, shall, at its option, meet such lower price or permit Viant to purchase the balance of the undelivered portion of the PO hereunder at such lower price, in which case Viant shall have no further obligation to purchase the balance of the PO. Pricing shall be firm for the duration of this Purchase Order.
5. **INSPECTION.** All goods and services purchased hereunder shall be subject to inspection by Viant at all reasonable times and places notwithstanding the terms of payment, and in any event, prior to final acceptance. No inspection made prior to final acceptance shall relieve Seller from responsibility for failure to meet the requirements of this PO. In the event the goods or services do not meet the applicable specifications and instructions, Seller will promptly re-perform the

nonconforming services or provide replacement goods satisfactory to Viant at Seller's sole expense. If Seller is unable to accomplish the foregoing, Viant may procure such goods or services from another source and charge to Seller's account all costs, expenses and damages associated therewith. Viant shall be entitled to return rejected goods to Seller at Seller's expense. Risk and title of the rejected goods shall be transferred to the Seller upon shipment from Viant.

6. **PAYMENT.** Invoices shall contain the following information: PO number, part numbers, description of services, prices, extended totals and attach all supporting documentation, if any. To the extent applicable, all invoices shall include any tax amounts and shall be listed separately. Invoices submitted hereunder will be paid Net 60 days after receipt of a correct invoice or acceptance of goods or services by Viant, whichever occurs later. Any adjustments in Seller's invoices due to late performance, rejections or other failure to comply with the requirements of this PO may be made by Viant before payment. Payment shall not constitute final acceptance. Viant may offset against any payment hereunder any amount owed to Viant by Seller or its affiliates.
7. **CHANGES.** (By Viant) Viant may, by written notice to seller make changes to any one or more of the following: (a) specifications for services or goods, (b) quantity, and (c) place and/or time of performance. For any reason, Viant may also direct Seller to suspend in whole or in part the provision of goods or the performance of services hereunder permanently or for such period of time as may be determined by Viant to be necessary or desirable. If any such change or suspension causes and increase or decrease in the cost or time required for the performance of services or provision of goods hereunder, an adjustment may be made in the price or delivery schedule, or both, and the PO shall be modified in accordance with Section 22. Any claim for adjustment by Seller shall be deemed waived unless asserted in writing within ten (10) days from receipt by Seller of the notice of change. (By Seller). Seller shall not make any changes to any of the following: (a) specifications for services or goods, in form, fit or function, (b) process change(s); (c) place and time of performance. In the event Seller is required to make a change other than as identified above, Seller must provide at least one hundred twenty days advanced written notice to Viant, and shall not implement any change without receiving prior written approval from Viant.
8. **WARRANTY.** Seller expressly warrants that the goods or services provided under this PO shall be performed in accordance with Viant's specifications and instructions. Seller further warrants that the goods and services will be merchantable, non-infringing, free from defects and fit and sufficient for the purpose intended. Further, the services will be performed with the highest degree of skill and judgment exercised by recognized professionals performing the same or similar services. These warranties shall be in addition to all other warranties, express, implied or statutory. Payment for, inspection of, or receipt of the goods or services shall not constitute a waiver of any breach of foregoing warranties. Seller further guarantees that no article delivered hereunder is adulterated or misbranded within the meaning of the Federal Food, Drug and Cosmetic Act, as amended, or within the meaning of any applicable state or municipal law in which the definitions of adulteration and misbranding are substantially the same as those contained in the Federal food, Drug and Cosmetic Act, as said Act and such laws are constituted and effective at the time of such shipment or delivery, or is an article which may not, under the provisions of Section 404 or 505 of said Act, be introduced into interstate commerce. Seller also guarantees that no article delivered hereunder is a misbranded hazardous substance or a banned hazardous substance within the meaning of the Federal Hazardous Substances Act. In the event of any breach of the foregoing warranty, Seller shall at its own expense and at Viant's option either: (a) provide replacement goods satisfactory to Viant, (b) re-perform the nonconforming services to the satisfaction of Viant, or (c) refund to Viant the total amount paid for such goods or services. Seller shall extend all warranties it receives from its Sellers to Viant and to Viant's customers. **Epidemic Failure:** Should goods shipped in any 90-day period to Viant, or should all goods cumulatively received by Viant experience a failure rate of more than 3% from the same defect or more than 5% from cumulative defects, Seller shall prepare a plan for diagnosing and addressing the problem and will be responsible for all costs incurred by Viant and its customers in rectifying such failures, including, without limitation, for engineering charges, testing and field recovery costs, as well as for all damages.

9. CONFIDENTIAL INFORMATION. Viant and Seller acknowledge that in their course of dealings, Seller may acquire from Viant confidential and proprietary information about Viant, its business activities and operations, its employees, trade secrets or any other information which by its sense or nature should reasonably be considered confidential (the "Confidential Information"). The confidential information of Viant shall only be disclosed to Seller's employees, agents or consultants with a need to know and who are under a written obligation to keep the information confidential. Upon notice of termination, Seller shall inform Viant of the extent to which it has completed its performance under this PO as of the date of the notice and collect and deliver to Viant any goods or Work Product, as defined in Section 11, which then exists. 18. **NON-WAIVER OF RIGHTS.** The failure of Viant to insist upon strict performance of any of the terms and conditions in this PO or to exercise any rights or remedies hereunder shall not be construed as a waiver of its rights to assert any of the same or any other terms and conditions under this PO.
19. **REMEDIES.** Any rights and remedies specified under this PO shall be cumulative, non-exclusive and in addition to any other rights and remedies available at law or in equity.
20. **SEVERABILITY.** If any term contained in this PO is held or finally determined to be invalid, illegal or unenforceable in any respect, in whole or in part, such term shall be severed from this PO, and the remaining terms contained herein shall continue in full force and effect.
